Close: Recap of the lesson, student reflection on the lesson					

Reflections (Choose 1 aspect of the lesson to reflect on – positive or negative one. It can be written in point form – not more than 1 page)

1. What happened? (What did my students do? What did I do?)
2. Why? (Why did I think things happened this way? Why did I choose to act the way I did?)
3. So what? (What have I learnt from this?)
4. Now what? (What do I want to remember to think about in a similar situation? How do I want to act in future?)
